Bead pattern

Perler (5 mm standard) | 29 x 29 beads | 1 x 1 boards of 29 x 29 | 115 beads | 6 colours

Original grid size, with symbols and colour codes. Check your beads before you start.

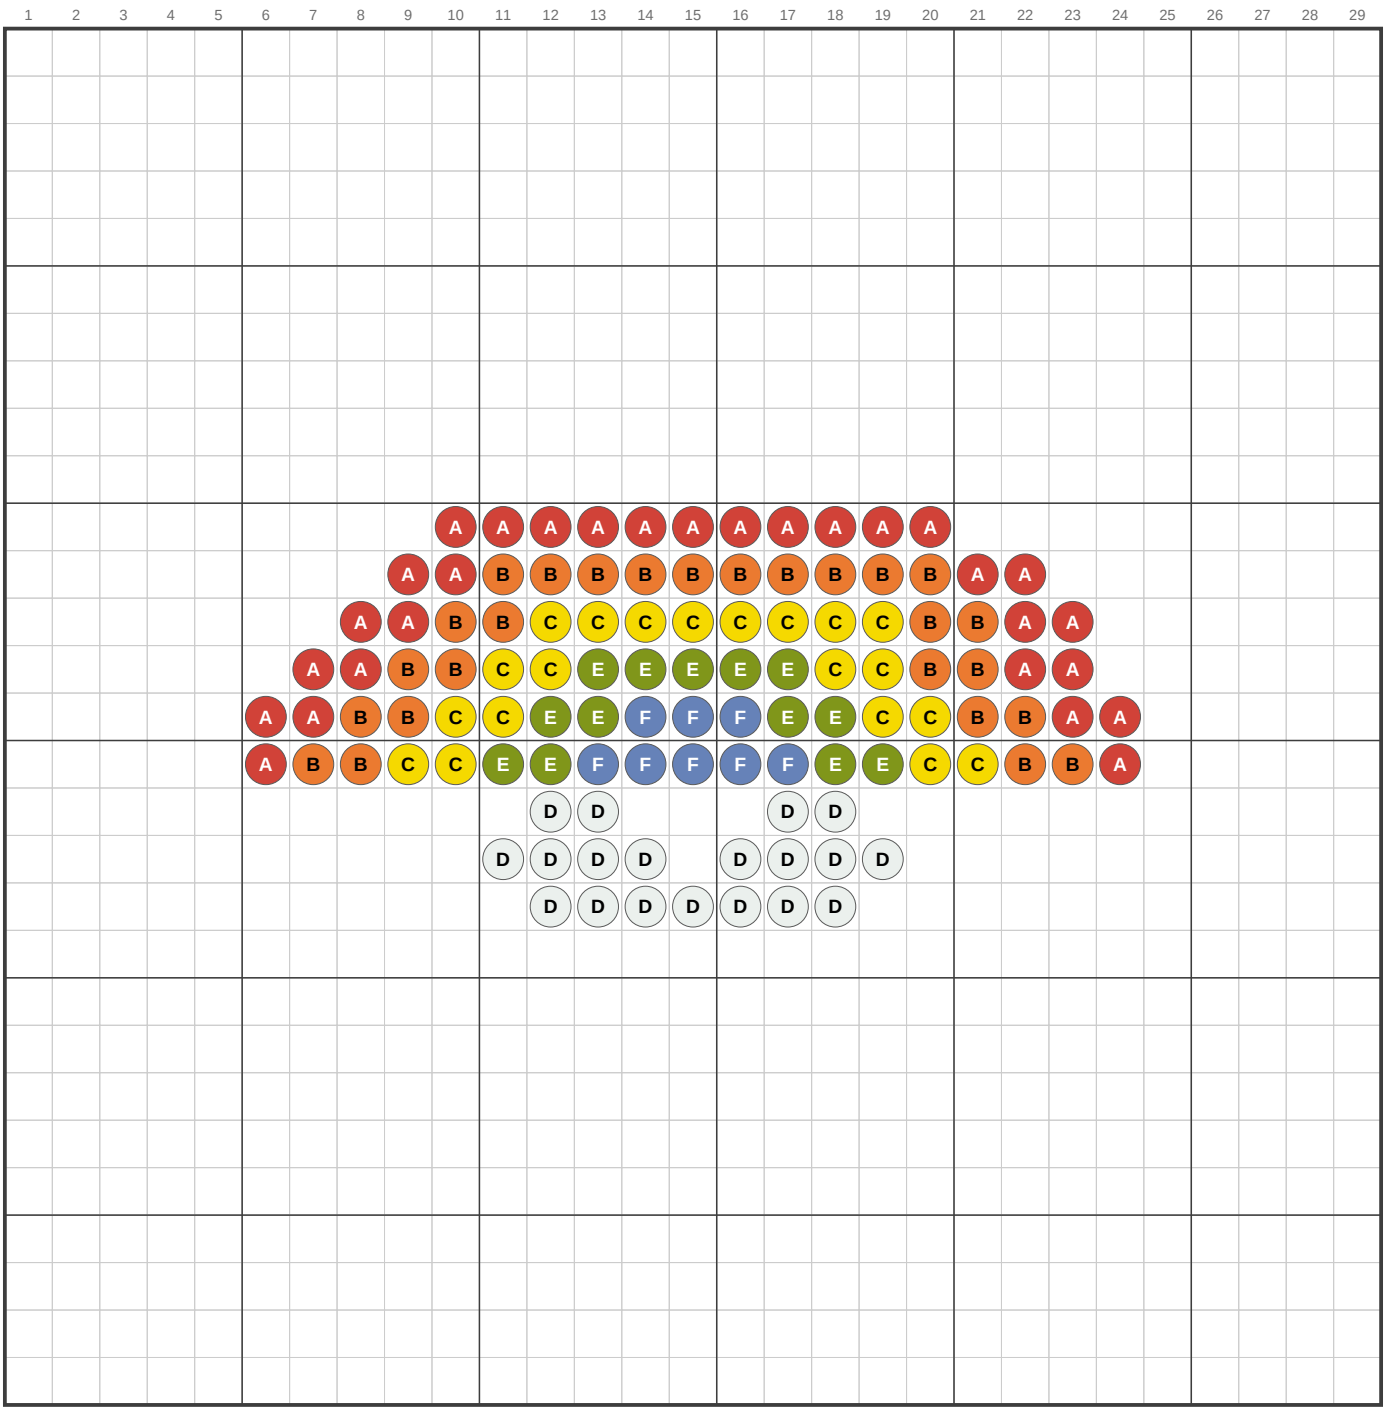

Numbers on the overview are board numbers: left to right, top to bottom. Each board has its own page.

Each colour has a symbol; the colour table at the end lists the code, name and bead count.
