Bead pattern

Perler (5 mm standard) | 29 x 29 beads | 1 x 1 boards of 29 x 29 | 114 beads | 1 colours

Original grid size, with symbols and colour codes. Check your beads before you start.

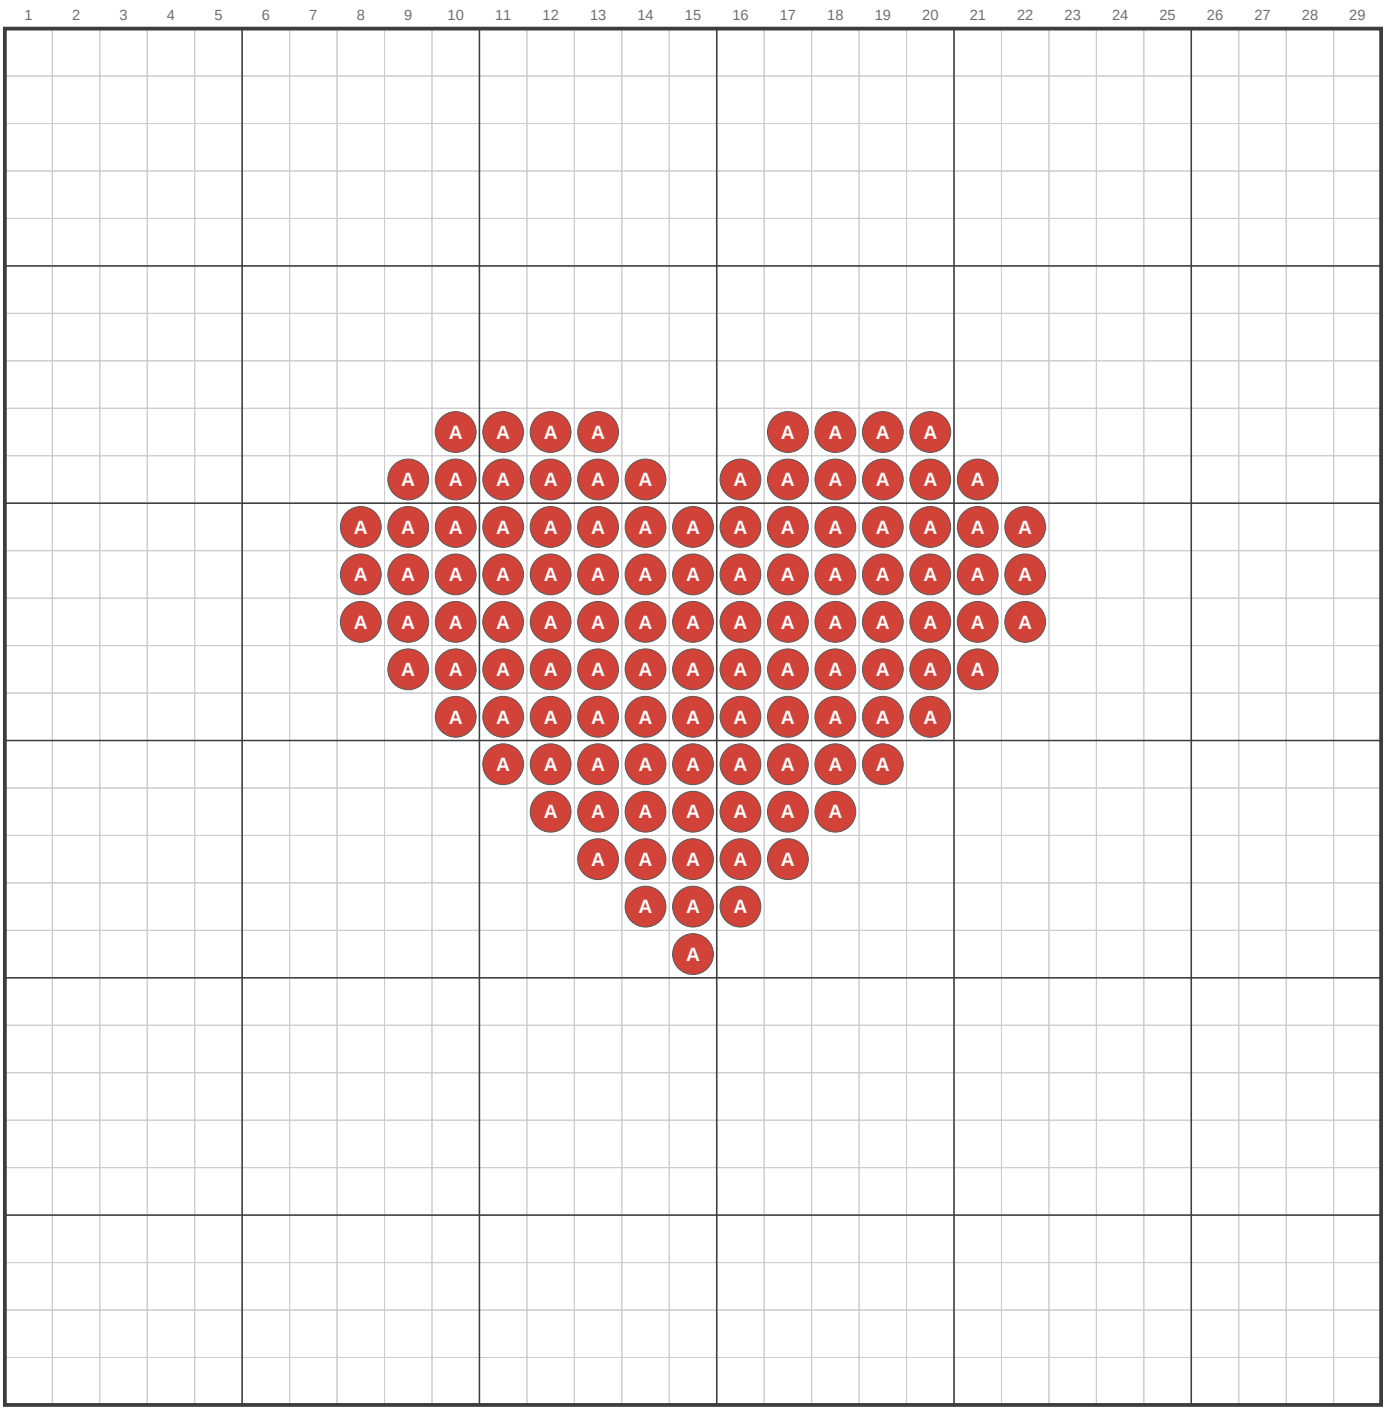

Numbers on the overview are board numbers: left to right, top to bottom. Each board has its own page.

Each colour has a symbol; the colour table at the end lists the code, name and bead count.

beads.kitmaple.com | For personal use only. Colours approximate; check against your beads (community colour data; screens and printers differ from real beads). Unofficial - not affiliated with any bead manufacturer.

Board 1 of 1 (column 1, row 1)

Beads on this board: 114 | Pattern cells x 1-29, y 1-29 | Perler (5 mm standard)

A 80-15211 x114

Colour usage - Perler (5 mm standard)

No "My colours" list was set, so owned/short columns are blank.
